All auto storage contracts include electric for a trickle charger—customer must provide tender. Cars must be registered, titled, and in good working order. Non-running vehicles cannot be accepted due to fire/insurance regulations.

Contracts automatically renew for the same length term at the end of the existing term at current rates.

All pricing is per linear foot, and will be measured to the longest points (i.e. trailer hitch/front bumper to propeller/swim platform for boats or back bumper for RVs/Campers). All measurements assume a maximum of 10' width.

All boats/watercraft must be on a working trailer while in storage.

A limited number of specialized storage areas are also available—please inquire for details.

ALL CONTRACTS ARE SUBJECT TO A MINIMUM 25' REQUIREMENT • ALL INITIAL CONTRACTS ARE SUBJECT TO 6 MONTH MINIMUM. ALL SPACES ARE ON A FIRST COME, FIRST SERVED BASIS • NO REFUNDS FOR ANY UNUSED PORTIONS OF CONTRACTS • MANAGEMENT RESERVES THE RIGHT TO LIMIT/CHARGE FOR EXCESSIVE IN-AND-OUTS DURING A CONTRACT TERM

We except all major credit cards, debit cards, and checks. A 2.9% processing fee plus a \$1 convenience fee will be added when using a credit or debit card. Cash and checks are accepted without these fees.
